GOD'S WORD FOR ISAN NEWSLETTER

If God Be for Us, Who Can Stand Against Us? (Rom 8:31)

"There's Still Much to Be Done; Continued"

By Ron Myers

August Greetings from Northeast Thailand in Jesus' Matchless Name,

Just a short note to let you know that I'm here now. God is blessing and things are going well. I wrote in my July 2017 Newsletter that: *"People ask me if I plan on retiring when I reach retirement age?"* My answer is, *"There's just too much left to do... There remains the need to see [the Isan New Testament and the Considering Creation booklet] converted into audio format with qualified Isan Christians doing the narration. In this way, many more can be reached than printed copies can. Besides that, they really enjoy listening to their own language."* *"So then faith cometh by hearing, and hearing by the word of God"* (Romans 10:17). In closing I said, *"Please pray for me that I will experience a safe and uneventful, yet successful upcoming trip."*

I'm here now and my main focus is to get the Isan New Testament and the very effective Considering Creation evangelism booklet recorded in high-quality audio format, or at least underway. My main problem; however, was that I had no one that could do the narration properly. That is, not until I had lunch with Pastor Pitak and wife Sri a few days ago. In querying them, they excitedly mentioned a local radio announcer who had received Christ just a few months ago and was on fire for the Lord... even witnessing for Christ during his radio program time. Bingo!

His name is *Baaw Ter*, a native-born Isanian of whom I learned later that he is very popular and listened to regularly by area locals. Pastor Pitak arranged a meeting where I could explain the vast potential, and propose that Baaw Ter consider doing the narration. He readily agreed, and was excited about the opportunity to help lend a hand, or should I say, lend his trained radio voice.

On a side note, Baaw Ter said he had heard much about me, wondered where I was, and how he could get in contact. He finally concluded that I must be dead and gone. That is, until I walked into his office last Tuesday and introduced myself. At first, he was somewhat taken aback. He then smiled and we had a great time fellowshiping around the Lord and the work here. Baaw Ter also holds a small Bible study class for new Christians Thursday evenings. I attended last evening and taught on important foundational truths.

Bottom Line, Baaw Ter, who has a naturally outgoing and zealous personality, was very enthusiastic about narrating the *Considering Creation* evangelism booklet; and, the entire Isan New Testament afterwards. He read a sample passage, which sounded really great! In that this project is a sizable endeavor, I felt a fair remuneration is very much in line. So, I told him I was prepared to compensate him for his help, to which he was appreciative. He also spoke of a nearby recording studio which we could probably use.

My flight home is on September 13th, which limits my precious time here. Even so, Baaw Ter should have the narration of the Considering Creation booklet finished before then. Obviously, the entire Isan New Testament will take much longer. These will then be put in various digital formats, including CDs, flash drives, Bible programs, cell phone formats, and audio Bible readers.

Please pray for wisdom and guidance as we work out the various logistical details before I leave, and that *nothing will hinder our progress in completing this important undertaking!* Anyone wishing to assist may send gifts through the address below.
